

|  |  | <i>Number of farm sites</i>  |
|--|--|--|
|  | Hovander – continued                             | foot milking parlor, 384 square foot drying shed, 1,375 square foot blacksmith shop, and 10,900 square foot barn. The homestead is listed on the National Register of Historic Places. The barnyard is furnished with antique farm implements and equipment, and a collection of livestock and fowl.                                 |
| 2  | Silver Lake Park                                 | 412.1-acre conservancy, historic farmstead, and recreational park located on Silver Lake and Black Mountain Roads on Silver Lake east of Sumas. The Gerdrum Home/Museum is located across from the main park entrance and is the site of the original Gerdrum Homestead. The 1,540 square foot 2-story house was built in the 1890s. |
| 3  | South Fork Park (Acme, Overby, and Nessel Farms) | 3 farmsteads totaling 603-acres located on the South Fork of the Nooksack River off Mosquito Lake Road. The 106.0 acre Nessel Farm includes the historic Nessel homestead that includes the home, garage, 3 sheds, and barn. The Nessel homestead will be restored and used for agricultural interpretive programs.                  |
| <b>Total existing farmsteads of significance</b> |  | <b>3</b>   |

**Proposed farmsteads of significance**

The following sites provide significant farmstead conservancy potentials that may be protected through easements, land use agreements, or acquisitions subject to appropriate feasibility studies with public and private participants.

|---|------------------|---|
| <b>Whatcom County with other participants</b>               |                  | <b>1</b>  |
| 4   | To be determined | When appropriate, acquire development rights to historic farms located in the county to preserve heritage farmsteads. |
| <b>Total proposed additional farmsteads of significance</b> |                  |   |

**Other sites of significance**

**Existing other historical/cultural sites of significance**

The following sites provide significant other cultural, social, and man-made conservancy potentials.

|                       |  | <i>Number of other historical sites</i>  |
|-----------------------|--|--|
| <b>Whatcom County</b> |  | <b>7</b>   |
| 1                     | Bay Horizon Park                               | 68.2-acre decommissioned WW2 era military radar base with 57,500 square feet of facilities located on Anderson Road in Birch Bay. The property was acquired through Federal surplus and is currently leased to the Lions Foundation for a summer camp and the Birch Bay Lions Club for a hostel. |
| 2                     | Kickerville Road – Pleasant Valley School site | 2.6-acre undeveloped property of the former Pleasant Valley School site located on Kickerville Road south of Bay Street.   |
| 3                     | Monument Park                                  | 6.9-acre park site and overlook located on the US/Canadian border on the northwest shoreline of Point Roberts on Marine Drive. The park contains a 19-foot obelisk imported from Scotland and erected by the Joint Boundary Survey Commission in 1861 establishing the US/Canadian border.       |
